

# Squak Mt. Nursery

## 2022 Rose Crop

### Feature Roses

**Emily Bronte** has an exceptionally lovely large bloom of soft pink with subtle tones of apricot with a long vase life as a cut flower. The fragrance is a strong tea and old rose. She is a 4' tall x 3 1/2' wide upright bush with strong, healthy growth.

**Midnight Fire** is a miniature rose ideally suited for a container or at the front of a border. The flowers are orange overlaid with purple giving it a smoke coral toned effect, with a tea fragrance. The glossy green leaves have good disease resistance.
